Homestay accommodation includes a single room and 3 meals daily

### SPECIAL ACTIVITIES

Students have the opportunity to participate in a variety of activities conducted by the local coordinators, an experience well worth the visit. Activities give you a chance to use the language, in fun, real life settings, but at the same time allow you to savor the richness of Paraguay by discovering its culture and living alongside its people.

You will also have an opportunity to get to know some of the hundreds of other students who have come from abroad and have formed bonds of friendship, by taking part in social and cultural activities together.
