EIS – ALICANTE, SPAIN

ABOUT THE SCHOOL AND THE CITY

EIS is a pioneer institution in the teaching of foreign languages in Spain. It is a family enterprise with a large, committed staff, including teachers, administration and management personnel. The four Spain schools have an international atmosphere with students from more than 20 countries studying at any one time.

Alicante pearl of the Mediterranean, enjoys a wonderful climate year round with splendid beaches that earn the Blue Flag Awards from the EU every year. The Postiguet beach is in the very town centre. The area, inhabited well before the Romans, is of vital importance in the modern economy of Spain, and famous leisure destinations are not far. Because of its significance and location, the Alicante International Airport has excellent links with many European cities. With 500,000 inhabitants, Alicante offers the advantage of a medium-sized city with a cultural life, a young and dynamic university and a booming economy with century-old traditions like the San Juan Festivities or the "Moors and Christians" celebrations, a revival of the Reconquista battles.

ABOUT THE PROGRAM

Classroom time is made as productive and enjoyable as possible to ensure the best results. At each school location, the director organizes the language level groups and supervises student progress.

The school has adopted their course material into four books: CICLO I, II, III, and IV that are a solid foundation for further language study through conversation, audiovisual and real life material. The school's methodology also includes use of other reference material, video, CD-ROM and the internet.

Intensive Group Program Group 22 lessons per week. The Intensive Group Program is aimed at students who wish to combine the study and learning of the language with free time for themselves. The program consists of 20 Spanish and 2 culture lessons per week in small groups. Each lesson lasts 45 minutes. 7 different levels, beginners to superior, are offered for this program with guided tours to museums (entrance fees not included), videos, and social activities are included. Culture and civilization classes are integrated into the program to enhance students' whole immersion education.

Semester Program Group 22 lessons per week. This program is aimed at those students who would like to learn Spanish "once and for all". It follows the same structure as the Intensive Group Spanish, with the same number of lessons per week (20 lessons + 2 culture lessons), the number of students per group, etc., and is economically priced.

The learning of the language, participating in everyday life, and the possibility of traveling around Spain give the student an in-depth experience of Spanish language and culture. Full-day

excursions of 1 per month (entrance fees not included).

DELE Exam Preparation Course 20 lessons per week, 5 to 9 students per class. The program is offered to intermediate level and above Spanish speakers who would like to attempt to pass the DELE exam for a diploma at the 'Inicial,' 'Intermedio,' or 'Superior' level.

ACCOMMODATIONS

The host families are carefully selected, as are the hotels and apartments. Do not forget to specify on the registration form any dietary requirements, allergies, smoker / nonsmoker, etc., as well as any other preferences. Staying with families allow students to practice the language and to become acquainted with the Spanish way of life. The accommodations director of each school, always at the students' disposal, can change your family accommodation if the need arises.

Homestays Most families are within 20-25 minutes walking distance to the school. In the event that the homestay is farther away, students can use public transportation (bus), the ride being approximately 10 minutes. Laundry Included.

Student Apartments Those students who wish to take a one, two, or three month course in Alicante, may be interested in renting a room in an apartment shared with other students. The rooms are furnished with bedding provided. The bathroom and kitchen are communal. Students should bring their own towels, and are expected to pay for little expenses (gas, soap, etc.). Most of the apartments are 20 minutes away by public transportation.

Hotels & Apartments The Alicante center suggests hotels and apartments situated close to the school and with a wide range of prices. These options are on request and at additional cost.

SPECIAL ACTIVITIES

International House organizes a varied program of social activities for Spanish students. All costs of the social program are included in the course fees, except when an excursion in a coach bus.
